

Diabetes Brown Bag Telehealth Lunch Series

**3rd Wednesday
of each Month
Noon – 1:00 p.m.**

Schedule of Events

April 20 – Chemistry for Coping & Diabetes

**By: Laura Shane-McWhorter Pharm.D. (Univ. of Utah, Pharmacy)
(pharmacy CEU's applied for)**

Dr. McWhorter will address the impact of alcohol use, nicotine use, and other substances in persons with diabetes. She will also discuss the drug interactions that may occur between alcohol, nicotine and other medications used to treat diabetes.

CEU's offered for nursing and dietetics for all programs. I would need at least 6-7 weeks notice from participants if you would like either Continuing Education Credits for Pharmacy or CME's,

**May 18 - Glucagon in Schools – Legal Issues & Proper Administration of Glucagon
12:00 – 2:00**

By Steve Bieringer (Manager, Legal Advocacy-Major Projects, American Diabetes Association) and Neal Catalano, R.Ph.

**Exercise & Diabetes - Diet & Weight Loss
Juvenile / Pediatric Diabetes - Metabolic Syndrome/Syndrome X
In-Patient Use of Insulin - Depression & Stress with Diabetes
Driving Issues / Commercial Drivers License & Diabetes**

Please use attached reservation form.
